## General Conditions

**You must keep to the General Conditions as well as the conditions applying to each section of cover to have the full protection of the policy. If You do not, and the condition You have not kept to relates to a claim, We may refuse or reduce the amount We pay under the claim.**

- 1** Throughout the Policy Period You must take proper care of Your pet and arrange and pay for any annual treatment or vaccination(s) normally recommended by a Veterinary Surgeon to prevent Illness or Injury. If there is a disagreement between You and Us regarding whether You have taken proper care of Your pet, the details will be referred to an independent pet specialist or a vet mutually agreed upon. Both You and Us agree to accept the third party's decision.
- 2** All pets whether kept inside or outside Your home must be kept in proper enclosures with adequate heating and ventilation and the general care of Your pet(s) must be maintained to a standard sufficient to ensure that they are kept fit and healthy and in accordance with the requirements of The Animal Welfare Act 2006 (or as amended). If there is a disagreement between You and Us in respect of 'General Condition 2', the details will be referred to an independent pet specialist or a vet mutually agreed upon. Both You and Us agree to accept the third party's decision.
- 3** **At the time that Your insurance started** You must have disclosed any Veterinary Treatment, (other than routine), in respect of this pet. If You didn't, this can affect Your pet's cover and whether We pay claims
- 4** **At the time that Your insurance started** You must have told Us if Your pet had any Illness, disease, lameness, Injury or physical disability. If You didn't, this can affect Your pet's cover and whether We pay claims.
- 5** In the event of any Clinical Signs becoming obvious in Your pet(s), You must consult a Vet as soon as possible and follow their advice or treatment recommendations for Your pet(s). If You do not follow their advice, We may not pay a claim.
- 6** If You pay your premium by Direct Debit instalments and You miss two consecutive instalments, You must pay the outstanding amount within the timescales provided on the reminder We send You or Your cover will be cancelled and no further claims will be paid.  
  
If Your Direct Debit is cancelled or invalid, We will write to You requesting either a valid Direct Debit instruction or payment in full, if this is not received within ten days (10) Your insurance cover will be cancelled.
- 7** You agree that any Veterinary Surgeon has Your permission to release any information we ask about Your pet(s). If the Veterinary Surgeon makes a charge for completing or supplying documentation, **You must pay the charge.**

- 8 If You have any legal rights against another person in relation to Your claim the Insurers may take legal action against them in Your name at their expense. You must give all the help You can and provide any documents they ask for.
- 9 If You make a false or exaggerated claim or application for insurance, Your insurance may be cancelled and the Insurers will not meet any claims; You will be entitled to receive the return of any Premium You have paid from the date of cancellation.
- 10 If a Veterinary Surgeon who has treated or is about to treat Your pet(s) asks Us for information about Your insurance that relates to a claim, We will give the information requested.
- 11 When You make a claim You agree to give Us any information We may reasonably ask for and You agree that We may, at Our discretion, appoint an independent assessor or veterinary advisor.
- 12 If We offer further periods of insurance, We may change the Premium and conditions and add Exclusions because of Your pet's age and/or veterinary history.
- 13 In Your first Policy Period, the full benefit under Your insurance does not become effective for the first 14 days (or as stated on Your Certificate of Insurance). This means that Your pet is not covered for veterinary fees or death from any Illness which shows Clinical Signs in the first 14 days **(You should however advise Us of any Veterinary Treatment Your pet may receive within the 14 day period)**. This clause only applies in the first year of Your insurance and not at Your first or subsequent renewals. Your pet is covered for theft together with veterinary fees or death as a result of an accident in the first 14 days, provided that the relevant section of cover applies to Your insurance.
- 14 Your insurance cover and any subsequent claim is conditional upon the information You have given Us either in writing, by telephone or internet.  
If We establish that You deliberately or recklessly provided Us with false or misleading information We will treat this insurance as if it never existed and decline all claims. We will not return any Premium paid by You.  
If We establish that You carelessly provided Us with incorrect or incomplete information that the Insurer has relied upon in accepting this insurance and setting its terms and Premium We may:
- treat this insurance as if it had never existed and refuse to pay all claims and return the Premium paid. We will only do this if We provided You with insurance cover which We would not otherwise have offered;
  - amend the terms of Your insurance. We may apply these amended terms as if they were already in place if a claim has been adversely impacted by Your carelessness;
  - charge You more Premium for Your insurance or reduce the amount We pay on a claim in the proportion the Premium You have paid bears to the Premium We would have charged You; or
  - cancel Your insurance in accordance with the "Cancellation" section on page 15.
- We will write to You if We intend to treat this insurance as if it never existed; or need to amend the terms of Your insurance; or require You to pay more Premium for Your insurance.
- 15 You are over 18 years of age at the time Your insurance started.
- 16 The insurance is not transferable. If You are no longer the owner of Your pet, all cover for that pet will end from the date Your ownership ended.
- 17 When We offer renewal We may:
- a. Change the Premium, Excesses and Policy Terms and Conditions.
  - b. Place Exclusions because of Your Pet's claims and Veterinary history.
- If You do not notify Us of any claim within the Policy Period, this may affect Your Premium and Your renewal terms.
- 18 You must take all precautions to prevent the theft of Your pet as detailed on page 12 - Section 3 - Conditions 6.
- 19 Unless We agree otherwise, the language of this insurance and all communications relating to it will be in English.

You have the right to cancel Your insurance within 14 days of receiving Your policy booklet and receive a full refund of any Premium paid (Provided that there have been no claims either paid, reported or outstanding).

If You do cancel Your insurance within the initial 14 day period, then no cover will have been in place from the proposed date of inception of the insurance and no loss whatsoever shall attach to the Insurers in respect of the insurance.

If You do not exercise Your right of cancellation within the initial 14 day period, Your insurance cover will automatically come into force from Your original requested inception date.

Following the expiry of the initial 14 day period, Your insurance may be cancelled at any time.

We will refund any premium You have paid for cover after that renewal date, provided You have not made a claim. We will refund any amount You have paid for cover after the cancellation date. This refund will be a proportionate amount based on the number of days Your policy was in force.

Where possible, We will try to seek an opportunity to resolve the matter with You.

This will not affect Your right to make a claim for any event that happened before the cancellation date.

We will refund any amount You have paid for cover after the cancellation date. This refund will be a proportionate amount based on the number of days Your Policy was in force.
